CLIENT NOTIFICATION - SHIPPING FEE INCREASE

Dear Valued Client,

Effective June 1st, 2010 there will be an increase to our shipping fees. Standard shipping fees will increase by \$2 - \$3.00 depending on the jurisdiction.

Please note that additional shipping fees may vary for rural areas, packages shipped by air and/or package size.

We have avoided raising our shipping fees for many years, however to compensate for fuel surcharge increases, a minimum increase was necessary in order for us to substantially recover our costs and to remain competitive.

We appreciate your business and thank you for choosing ESC Corporate Services.
