

April 27, 2010 - Notice Regarding HST and RST Applications

If your business is commencing after June 30, 2010, RST is no longer applicable. Any existing orders for RST applications or Business Registrations containing the RST application will be removed from Eservice effective July 1, 2010. Beginning July 1, 2010, RST will no longer be available through Service Provider's under contract with the Ministry of Government Services (MGS).

In replacement of RST, you will need to contact CRA to register your business for the HST.

Visit the CRA website at www.cra.gc.ca/harmonization for more information regarding the HST.
